Dear Parents/Carers,

With the backdrop of some very upsetting news earlier in the week I am pleased to tell you the children have had a really settled week in school. The daily routines and engaging lessons prepared by the staff really help us all. Singing and chatter in classrooms, the buzz in the hall at lunchtime and the sound of play at break time give us the normality we all crave. This is of course down to the incredible care of all of our staff team. They have always put the children at the forefront despite the testing times. Words simply cannot describe the togetherness and team work they have shown. To add to this I know the kind words and smiles from parents and carers this week have given them great strength.

We know Mrs Overton was a hugely important part of our school community and we understand that the community: her family, the children, staff and parents/carers would like to pay tribute to her and remember her. A lasting memorial is something we will carefully think about alongside Mrs Overton's family and something we will involve the whole community in. We wish to take our time to organise this, with your support and involving your ideas (please do come and talk to me about them).

You will have seen from my letter on Thursday you are welcome to come along to Mrs Overton's favourite place: the beach today after school to enjoy the wonderful outdoors.

On a final note I would like to wish all of the Year 6 children the very best as they embark on their SATs tests next week. We know they will try their hardest and do us proud. That is all that we can ask of them.

See you on Monday

Graham Almond
