The weekly news from Chapel St Leonards Primary School

Issue 42

Circulation: 173

Date: Friday 3rd May

Dear Parents/Carers,

In assembly this week we have spoken about friendship and being friendly to one another. It is lovely to see many of the children, who may not be in the same class as each other or know each other very well, interacting working and playing co-operatively in so many ways in our school. There are so many examples of the children continuing to make the adults in school very proud. Our value for this term is 'Leadership' and the children will meet 'Laura Leadership' in their lessons and be able to apply the organisation, resilience, initiative and communication skills we have developed so far this year.

Enjoy the long weekend. We look forward to seeing the children at 8.45am on Tuesday 7th May.

## Year 6 SATs

This Year the pupils in Year 6 will take their Standard Attainment Tests (SATs) on the dates below.

Monday 13th May	Grammar Test followed by: Spelling Test
Tuesday 14th May	Reading Test
Wednesday 15th May	Maths Paper 1 (Arithmetic) followed by Maths Paper 2 (Reasoning)
Thursday 16th May	Maths Paper 3 (Reasoning)

We do not want the pupils to become stressed or disenchanted with school during the build-up. As such we have explained that we do not mind how each pupil does so long as they try their hardest. The SATs are important as they are used to gauge future progress, especially in Year 11 (GCSE year). Doing well now is a firm foundation for the future.

## Online Safety

Lots of our children enjoy accessing YouTube—this is a popular website that seems to have been around forever! It is important that children's use of YouTube is monitored so they do not view any inappropriate content.

YouTube has created its own kid-friendly app, YouTube Kids which is a great way to ensure certain content never reaches your children. However, it should be noted that it relies on algorithms and it is not personally created by YouTube employees, so things can slip through.
