Dear Parents/Carers,

Today is the last day of term and the last newsletter of 2021. It hardly seems possible that another calendar year has passed us by. Each week it really is a pleasure to share with you all of the wonderful things that are happening in our school and all the fabulous things we have planned to engage the children and give them the best we possibly can.

None of this is possible without the hard work of the adults in school in classrooms, School Office, on playgrounds, in the school kitchen and in the school grounds. I am immensely grateful for the continued hard work and dedication of the staff.

Once again, I must thank our parents and carers for their support too. There is very little that we cannot tackle by working together and by doing this we can make sure the children are happy and settled in school.

I hope that you all have a great festive break and enjoy the time you can spend with your families. All that remains for me to do is to wish everyone a very **Merry Christmas and a Happy New Year.**

### Christmas Dinner

Our school Christmas Dinner on Monday was, as it always is, a very special occasion. All of the school children and staff came together to eat a delicious meal prepared by Mrs Richardson. There were hilarious jokes in crackers, inflatables, Christmas music and pigs in blankets galore! The children thoroughly enjoyed themselves.

### Christmas Craft Fair

Thank you to everyone that came along last night to our 'Craft Fair'. The children thoroughly enjoyed their creative activities and sharing the outcomes with you. There was a lovely festive atmosphere and we would like to thank everyone who came and bought some festive treats. All of the money raised will go towards curriculum experiences for the children.
