Date: Friday 27th September

Dear Parents/Carers,

The weeks continue to fly by. Thank you to the three parents who have volunteered to run our school uniform Swap Shop on Tuesday 8th October before and after school. This will be on the Key Stage 1 playground, weather permitting. Please bring any previously owned school uniform that is in good condition along.

As the weather turns more wintry please make sure that your child has a waterproof coat in school each and everyday. If you have a spare pair of wellies then please feel free to bring these in to be left at school for your child to use.

Thank you for your help.

## Lincolnshire Day

On Tuesday 1st October  
we will be celebrating  
Lincolnshire Day and

children will complete some Lincolnshire themed activities. We would like to create a giant Lincolnshire flag collage and ask the children to bring in an object that is the same as their house team for us to use. It could be a piece of coloured paper, cleaned food packaging or item of clothing or anything else of that colour once we have created our flag items will be returned.

### Home School Agreement and Update Forms

Over the next few weeks we will be sending out our Home School Agreement and update forms. There will be three yellow forms that will need completing and details checking. It is vital that we make sure we have up to date contact details for parents and carers and two emergency contacts. We will provide an envelope to return the forms in. Please return the forms to the School Office as soon as possible. Thank you for your help with this.

### Aldi Get Set to Eat Fresh

We now have 104 stickers. We only need 196 more for our kit bag of goodies and chance to win £20,000!

**Have you signed up for 'MarvellousMe!' are you sending teachers a 'Hi5' back?**

### Parking

We are requesting once again that parents and carers **DO NOT park on the double yellow lines**. We also ask that parents and carers **act in a polite and respectful way towards** other road users at pick up and drop off time. We have been in touch with our local PCSO who will be conducting 'spot checks' on parking outside school.

### Mobile Phones

Our policy on mobile phones for children in school is very clear.

**Children must not have phones in school.** If they are found with them in school they will be confiscated and will need to be collected by a parent or carer. If your child is walking home and you would like them to have a mobile phone they must bring this to the School Office at the start of the day and then collect it at the end of the day.
