Chapel Chat

The weekly news from Chapel St Leonards Primary School

Circulation: 147

Date: Friday 11th June

Dear Parents/Carers,

I hope that you were able to enjoy the glorious weather during our half term holiday last week. Some of which has continued into this week!

As we enter the final term of the academic year we are focusing on our school value of 'Safety'. The character linked to our value is "Solomon Safety" who is a star fish.

There are lots of ways the children will be considering keeping themselves safe this term. On Monday in assembly we talked about online safety. Staying safe in the sun is vital. Thinking about staying safe when out and about and stranger danger all ensure the children stay safe.

Have a good weekend

Graham Almond

First Aid Champions

As part of our Personal Development curriculum we will be introducing the children to lessons on basic first aid. The children won't become official first aiders but they will gain a knowledge of how to help in certain situations (eg how and when to call for help).

For example, this week in Year 2 the children learnt about how to help someone having an asthma attack. Get some help and the casualty's inhaler.

The 'kindness and coping' elements of the programme also give children a greater understanding of how they may feel. From September this will be taught throughout the school year but we have linked this term's work to our school value of 'Safety'.

BritishRedCross First Aid Champions.

Sun Hats and Sun Cream

Let's hope the warm weather continues until the end of term!

If you would like to send your child into school with a sun hat for playtimes this will help to keep them cool. We don't allow the children to wear their sun hats inside the school buildings.

Similarly, if you would like your child to bring some sun cream to school this is also acceptable. Please write your child's name on any sun cream products they bring in.

Unfortunately, staff are not allowed to apply sun cream to the children so we ask that you apply before school. Please spend sometime with your child helping them to

apply this themselves so they can do this during the day if they need to.

Some of the popular sun creams come as a 'roll on' which is a really great way for children to apply their own sun protection.

COVID-19 Notification

If you need to inform the school of any COVID-19 related issues (positive tests, isolation etc) out of school hours please use the school COVID email address: Covid19@chapel-cit.co.uk to keep us updated.

Staff, children, parents and carers should follow contact tracing instructions provided by 'NHS Test and Trace'. Thank you.

Chapel Champions: 11th June 2021

Achievement Award

Values Award: Safety

Reception	Harley: an incredibly detailed drawing of Goldilocks.	Lottie: carrying scissors safely around the classroom with the blades in her hand.
Year 1	Bronwyn: outstanding pieces of writing in our English lessons.	Emilie: making sure the classroom is safe for others.
Year 2	Joseph: his amazing performance in English in the role of a narrator.	Mia K: being a great role model for keeping safe by bringing in her sun hat, water bottle and sun cream.
Year 3	Isaac: huge improvements in presentation of his work.	Alfie: keeping himself safe in the sun by wearing a hat and sunglasses.
Year 4	Jackson: his terrific description of a mythical being.	Macie-Mae: leading an excellent discussion about staying safe online.
Year 5	Charlie: fantastic determination in mastering telling the time.	Alfie W: brilliant discussions around first aid and how to act appropriately in an emergency situation.
Year 6	Kian: a great performance of Antony and Cleopatra in English.	Ethan C: always ensuring the safety of those around him.

Eat Them To Defeat Them

The evil vegetables are back! The children are ready for battle and have brought home their 'Mission Packs' this week. The aim is for the children to defeat the vegetables... by eating them.

Our dinner ladies are giving out stickers for the children who eat a portion or try the vegetables we are focusing on each week. They can then add to the sticker to their chart in their Mission Pack. They can do this for every portion they eat at home too!

This week it was the turn of the tomato "YOU CAN'T HIDE TOMATO!". Mrs Richardson our School Cook has included tomatoes with many of the meals this week giving the children a chance to earn a sticker.

Next week it is the turn of sweetcorn
"IT'S TIME TO FACE THE HEAT SWEETCORN!"
