Chapel Chat

The weekly news from Chapel St Leonards Primary School

Circulation: 165

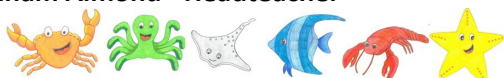

Date: Friday 20th September

Dear Parents/Carers,

This week in assemblies we have been continuing our work looking at our school value of communication. We have discussed how it is important to really listen to one another when someone is speaking to make the speaker feel valued and really understand what is happening. We have also explored the many different ways in which we communicate often without words. It has been proven that positive communication between school and home really helps children to flourish. We endeavour to keep you as updated as possible with things that are going on in school through things like this news letter, other letters, texts and our MarvellousMe! app which is a super way of really seeing what is going on in school each day. Please sign up if you haven't already. If you do need clarification regarding any school matters please do talk to a member of staff that way any anxieties (on both sides) can be dealt with.

Have a good weekend.

Safeguarding

We take the behaviour and safety of all of our children very seriously. Mrs Sherilyn Pruhs-Borrell is our Designated Safeguarding Lead and Mr Graham Almond is the Deputy Designated Safeguarding Lead and it is these members of staff you should contact in the first instance with any safeguarding concerns.

Dance Performance

Some of our children are performing at Blackfriars Theatre on Sunday—good luck everyone any support from the school community will be most welcome!

Home School Agreement and Update Forms

Over the next few weeks we will be sending out our Home School Agreement and update forms. There will be three yellow forms that will need completing and details checking. It is vital that we make sure we have up to date contact details for parents and carers and two emergency contacts. We will provide an envelope to return the forms in. Please return the forms to the School Office as soon as possible. Thank you for your help with this.

Bikes and Scooters

We want all of the children to be as active as possible and it's lovely to see so many children arriving at school on their bike or scooter. However, to keep everyone safe there is one very important rule: **the children must not ride their bike or scooter in the school grounds.** I have checked with the whole school in assembly and all of the children understand this. **Get off and on your bike or scooter at the green or the grey gates.** Please help to reinforce this with your children.

Pupil Premium Funding and Free School Meals

If you think that your child may be entitled to receive free school meals, then you are now required to apply for this online through Lincolnshire County Council. Even if your child is not eligible at the moment, if your circumstances change we will automatically be updated this will also mean your child continues to receive a free school meal in Key Stage 2 when universal infant school meals stops.

If you would like any help completing this process please ask at the School Office.
