# Chapel Chat

The weekly news from Chapel St Leonards Primary School

Circulation: 151

Date: Friday 27th May

Dear Parents/Carers,

It has been wonderful to see the children recognising the Queen's Jubilee and finding out more about the monarchy and its importance to us all. The children look brilliant in their red, white and blue clothes. In our special Royal Achievement Assembly today we chose two children from each class who have demonstrated great leadership skills this week. They received our usual Leadership bookmark and also a very special unique crown to wear (created by the teachers!)

We encourage the children to always think for themselves but listen to others' contributions. In our everyday school life there are lots of ways that we try to develop the children's leadership skills whether this be through being 'class room monitors' and helping with the smooth running of the classroom, leading in group activities or helping to solve problems.

Have a great holiday

## Safeguarding

We take the behaviour and safety of all of our children very seriously. Mrs Sherilyn Pruhs-Borrell is our Designated Safeguarding Lead and Mr Graham Almond is the Deputy Designated Safeguarding Lead and it is these members of staff you should contact in the first instance with any safeguarding concerns.

## Book Fair and Book Fair Tea Party

Our last Tea Party was a long time ago and was a great success!

The Book Fair will be back in school. It arrives on 14th June and culminates in our 'Book Fair Tea Party' on Friday 17th June. We will have our Book Fair open for you to make purchases after school each day. At our Book Fair Tea Party we will also have refreshments on sale. We would appreciate any donations of cakes for us to sell at the tea party on the morning of 17th June. All proceeds from the Book Fair and the Tea Party will go towards the purchase of new reading books for the children across the school!

Part of the Lincolnshire Wolds Outdoor Festival

### Lincolnshire Nature Lab

Join Lincolnshire Outdoor Learning for hands on activities for people of all ages, that will showcase the Natural Wonders of Lincolnshire.

Learn about our fantastic countryside and how agriculture and food production are part of the natural cycles of nature and that human agriculture is dependent on the natural world and the useful role of pollinators and the biodiversity of our wildflowers and animals.

You can make a small plant pot out of paper and to fill with compost and sow seeds, that you can take home to nurture and grow.

### Pop-up Theatre & Craft Activities

Join award-winning Barmpot Theatre for the premiere of 'To The Moon And Back', a miniature, magical puppetry adventure about a little Barn Owl with Big Dreams, suitable for all the family, and nature-themed craft workshops.
