The weekly news from Chapel St Leonards Primary School

Circulation: 149

Date: Friday 3rd December

Dear Parents/Carers,

The week has flown by and the children have been working hard as ever. It is always wonderful to see the work the children have produced during the week in our Achievement Assembly on a Friday from a range of subjects. The children this term have been studying topics with a History focus (for example Stone Age to Iron Age in Year 3 and Ancient Egypt in Year 5) and the children have really enjoyed finding out about what life was like in the past. Thank you to those parents who have completed our Parent's Survey we will leave the box out for one more week for you to return your forms to. Wrap up warm this weekend!

Reception, Year 1 and Year 2 Christmas Play

We are pleased to be able to hold Christmas Plays this year and invite an audience to watch the children perform. However, having carried out a risk assessment we can only accommodate one set of year group parents/carers at each performance and maintain distancing and ventilation. **In addition to this parents/carers will be asked to wear a face covering (unless they are exempt) whilst watching the performances.**

We hope by giving you plenty of notice you are able to attend. So that this is fair for everyone please do not ask us to accommodate you at a different time as we will be unable to do this. Thank you.

Please see the date for your child's performance:
