Date: Friday 7th January 2022

Dear Parents/Carers,

Happy New Year! It is wonderful to be back in school and I have been so impressed by how well the children have come back to school this week, ready and raring to start the new year and term.

Don't forget to 'be on time at quarter to nine'

Our whole school value that we are focusing on this term is 'Resilience' our character Rana Resilience will guide the children in their learning and their choices over the course of the term and our weekly values bookmarks will be awarded to those children showing great resilience.

The weather has certainly turned cold this week after a rather 'tropical' Christmas break. Please make sure your child comes to school with a winter coat together with hat and gloves if they so wish. This will make playtimes much more enjoyable for them!
