Dear Parents/Carers,

I hope everyone had a great half term break. The children are back in school and ready and eager to learn.

On Wednesday we were able to celebrate that we had every child in Key Stage 2 (Year 3 to Year 6) in school—100% attendance. Well done everyone!

We know children get ill from time to time but the very best way for the children to make academic progress is for them to be in school, on time every single day. A 90% score in a test or an exam is 'good' but 90% attendance means that a child is missing on average half a day each week!

Storytime!

As part of our World Book Day celebrations we are going to launch a new reading initiative in school. We would like to invite a parent or carer into school to read a special 'Storytime Magazine' with their child.

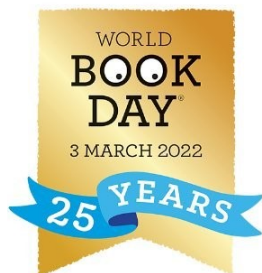

This will be at 3pm on the days below in the school hall. If you can't make it your child will still get to read their magazine in their classroom with their teacher. Just one parent/carer per child and no younger siblings please.

World Book Day: Thursday 3rd March

We will be celebrating World Book Day on Thursday 3rd March 2022.

The children can come to school dressed as their favourite **book character** for the day, if they would like to.

In their classes the children will be focusing on a famous figure from the "Little People Big Dreams" series of books – linking to our school value, that we are focusing on this term: **AMBITION**.

Year 2 can dress up and will hold their World Book Day activities on Friday 4th March as they have their trip on Thursday 3rd March.

Parents' Evenings

Letters with information about our Parents' Evenings and our online booking system will go out on Monday 28th February.

Healthy Snacks

We encourage the children to eat a healthy and balanced diet and all of our hot school meals meet the 'Food Standards' - a hot, nutritious cooked meal each day is an easy way to help the children have access to a balanced diet.

If your child brings a snack for break time to school (EYFS/KS1 children are provided with fruit for free) then this should be a piece of fruit, salad item or a healthy snack. Crisps, chocolate and sugary biscuits are not permitted. The children should put their snack in their tray at the start of the day not remove items from their lunch boxes. Thank you.
