Dear Parents/Carers,

It has been a really warm week but the children have continued to work hard and show the adults in school the brilliant progress they are making across all subject areas.

You will be pleased to know that Mr Shaw and Mr Patten are working together on plans for Sports Day later in the term which we will be able to give you more information about shortly.

Thank you to everyone who bought books at our recent Book Fair in total we raised £200 to spend on books for children in the school. Thank you for your support.

Have a great weekend.

## Attendance

The best way for the children to learn all they need to and be prepared for the future is for them to attend school regularly. It really is very important.

Please only keep your child at home if they really are too unwell for school.

We would like to remind you that the school is not able to authorise any term time holidays it is vitally important that the children are in school every day. This follows the new attendance regulations issued by the Government and Lincolnshire County Council, which were enforced from 1st September 2013. The minimum expected attendance is 96%.

Thank you for your support and understanding.

## Water bottles and Sun Hats

As the weather gets warmer here are a few reminders:

- Please send your child with a water bottle every day.
- Sun cream/protection should be applied before school - staff are unable to apply sun cream.
- Children can bring in a hat to wear at play times to help protect them from the sun.
- Please make sure PE kit is in school everyday.

## Whole School Photo

We have been waiting to have a whole school photo for a few years this will take place on Tuesday please can all children have their school jumpers with them.

### Drowning Prevention Week

This week is Drowning Prevention week. Our assembly on Monday focused on how to stay safe and the **Water Safety Code**.

In their classes this week the children have taken part in a Drowning Prevention lesson and thought carefully about how to keep themselves safe. Linking perfectly to our whole school value of 'Safety'.

Why not ask your child this weekend what instruction each of the beach flags below give us?

### Hot Meals

Children in Reception, Year 1 and Year 2 continue to receive Universal Infant Free School Meals please complete menu choice for your child. Menus are sent out each Tuesday to be returned by Friday. If your child is in Reception, Year 1 or Year 2 and you do not choose a hot meal for your child or indicate a packed lunch will be provided; their selection will default to the first main meal.

### Safeguarding

We take the behaviour and safety of all of our children very seriously. Mrs Sherilyn Pruhs-Borrell is our Designated Safeguarding Lead and Mr Graham Almond is the Deputy Designated Safeguarding Lead and it is these members of staff you should contact in the first instance with any safeguarding concerns.
