## *'Caring, Successful Learners'*

31<sup>st</sup> March 2020

Dear Parents/Carers,

Whilst school is closed we are aware that our pupils may be having more access to the internet and that you as parents and carers are having to manage the use of technology and help them learn remotely. This can feel overwhelming and potentially could cause safeguarding concerns.

As young people spend more time online there is an increase that they will see something online which is not intended for them. Whether this is fake news, impersonation, mean comments or adult content videos or memes. There are many ways in which these can be reported and together as a family you can help prepare your children and build their critical thinking skills. To report any concerns you have you should visit:

[www.reportharmfulcontent.com](http://www.reportharmfulcontent.com) or [www.ceop.police.uk](http://www.ceop.police.uk)

Other sources of support can be found through the following agencies:

NSPCC helpline                      0808 800 5000                      [nspcc.org.uk](http://nspcc.org.uk)

Childline                              0800 111

[www.thinkyouknow.co.uk](http://www.thinkyouknow.co.uk)

[www.internetmatters.org](http://www.internetmatters.org)

[www.getsafeonline.org](http://www.getsafeonline.org)

Please make sure you have parental settings on your devices, supervise and limit your child's time on the internet and report any concerns you may have.

Yours sincerely

Graham Almond  
Headteacher
