

Chapel Chat

The weekly news from Chapel St Leonards Primary School

Issue 100

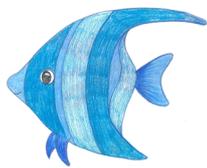

Circulation: 145

Date: Friday 12th March 2021

Dear Parents/Carers,

I decided that I would write Issue number 100 of 'Chapel Chat' when we could return as a whole school community. It really is great to be back!

The children have been an absolute pleasure to be with this week and whilst we had regular contact online with the children when we were closed, nothing is better than

seeing them in school interacting with others in their classes. It is very much fitting that our School Value for this term is 'Ambition' (Amery the Angel fish) as we look to the future.

The provision we put in place for remote learning meant that we could reach the children and ensure they continued to access lessons and learning. All of the adults in school and at home spent many hours in front of screens supporting the children. This was a super effort, the children and myself are very grateful.

We continue to operate within our risk assessment to ensure that the school is 'COVID secure' and once again the children have settled really well into these routines.

We love our Breakfast Club and the before school provision that it offers each day. At the moment with our risk assessment in place and the need to avoid mixing 'bubbles' we cannot offer this provision in a workable format. However, please be assured as soon as we can this will one of the first things we will resume. If we all continue to play our part by following the latest guidance hopefully this will not be too far away!

I really hope that you all manage to have a relaxing weekend the staff and children have worked hard this week, I certainly noticed a few tired faces this morning!

Graham Almond - Headteacher

Issue 100

If you can present this limited edition hundredth issue of Chapel Chat (in original paper form) when we reach Issue 200 you will receive a ground-breaking prize!

Welcome Miss Toogood

We are delighted to welcome Miss Toogood to the school staff. Miss Toogood is an Academic Mentor. This is a new position that is totally funded by the Government. Her role is to provide extra support for children in English across the school. This may be in small groups, in class or on an individual basis. The children have really enjoyed working with her this week.

COVID-19 Notification

If you need to inform the school of any COVID-19 related issues out of school hours please use the school COVID email address:

Covid19@chapel-cit.co.uk to keep us updated.

Please continue to maintain social distance both on the playground and outside the gates at the start and end of the school day. Thank you.

Red Nose Day—Friday 19th March 2021

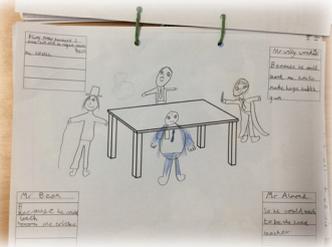

Friday 19th March If your child would like to come in to school wearing non-uniform they can. We would encourage them to wear something red if they have it. If you would like to donate to Comic Relief you or your child can add your donation to the bucket by the gates in the morning.

First week back...

The children have returned to school this week and really enjoyed having some of our work themed around the story 'What We'll Build: Plans for our Together Future' by Oliver Jeffers.

Who would Year 4 invite to a dinner party?

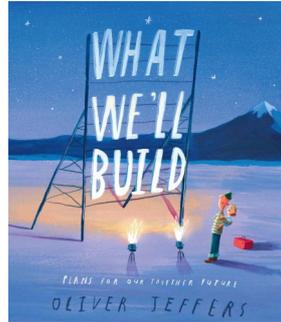

What might be behind the red door Year 3?

Year 4 Lollipop structures

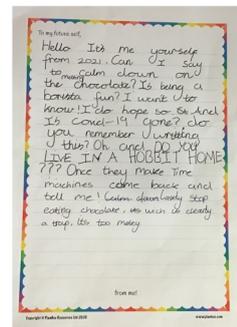

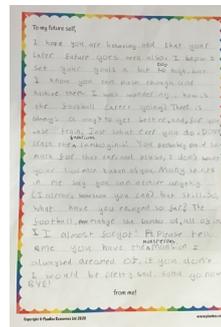

Natural structures in Year 3

A letter to my future self Year 5

What We'll Grow! Year 2

An observational, descriptive challenge in Year 6!

Year 2 What We'll Build: Lego!

Things we'll need for our future? Year 5

Friends	family	Education	CHOICES	fresh water	Shelter
Games	Exploring	Hope	Art, Attractions	Animals	Technology
New World	Fun	Creativity	Environment	A defense	laughter
An idea	Pizza	Resilience	Ambition	Energy	Caring
Sharing	Emotions	Business	Help	Sleep	Career
Books					
Things we need for our FUTURE!
