Dear Parents/Carers,

It hardly seems possible that I only have one more newsletter to write for this academic year!

This week we have been treated to the excellent Year 6 performance of 'The Zany Zoo' the children have worked hard to learn their lines and organise their costumes in amongst visits to their secondary schools. Thank you to Miss Hanson and the team for all their hard work supporting the children to put the production together.

It has been fantastic to see the parental support at recent events and I would like to thank all those parents and carers who have spent time coming to school and supporting the Sports Day, Summer Fair and Year 6 Production.

Your child will bring home their school report on Monday please take some time to discuss it with your child and celebrate their many achievements with them. I have thoroughly enjoyed reading all of the positive comments the teachers have been able to make.

Have a good weekend.

Summer Fair Success!

Thank you to everyone who came to support our Summer Fair it was super to see the children testing their entrepreneurial skills to make some money for the school.

In total we raised just over £400 for the school this is a fantastic achievement. We have decided that this will be spent on reading books for school and we will also contribute £2 per child for a school trip for each child next academic year so that this reduces the costs for parents and carers.

Books Home

Next week the teachers will be sending home some of the children's work, individual pieces of work and the exercise books that they have worked in. We hope you will take the time to look through your child's work. Unfortunately we do have to keep some of the children's Maths, Topic and English books in school as we have to keep evidence of the children's progress. If you would like to look through your child's books that we are keeping please pop in to see the class teacher. There will still be lots of the children's work to look through even if we do keep your child's books.
