Any work you can do towards this will support your child's learning.

Mr Shaw

PLAYTIMES

In order to keep playtimes as stimulating as possible, we are asking for any board games or even outdoor resources, such as pipes, planks or milk crates that could be donated to school for our children to play with.

Any games / resources would be greatly appreciated.

Thank you for your continued support.

MOBILE PHONES

Children should not have mobile phones with them whilst they are in school—if your child does bring their mobile phone to school, it must be given in to the office at the start of the day and collected at the end of the day. This is to ensure the safety of all children within our school.

If you do have any safeguarding concerns at all, please come and speak to Miss Vines or Mr Shaw.

Look at all our amazing learning...
